Step inside

Minnis End

With stunning and uninterrupted views across the adjacent valley, the aptly named Minnis End nestles in 1.17 acres of grounds on the edge of the famous Minnis and is available with no forward chain. With its origins as a bungalow in the 1950s it has since been considerably extended and updated to become the beautifully presented contemporary family home you see today.

Vehicular access and a pedestrian gate open onto a spacious gravel driveway providing off road parking. It is surrounded by an attractive front garden and leads to the detached pitched roof double garage and the paved and decked front entrance. This opens into a large tiled vestibule with storage cupboards that also house the boiler and through a glass inner front door to the spacious hallway with a cloakroom and additional storage.

It is at this stage that you can begin to appreciate how bright the house is. As well as large windows up the stairs providing plenty of natural light, the superb and elegant sitting room is triple aspect with wonderful countryside views and wide patio doors to the vast rear garden. It also includes a stone fireplace with a log burner that makes a charming focal point.

However it is the vast and stunning family space that really steals the show and continues the 'light and bright' theme. Originally three rooms this hub of the household is also triple aspect with fabulous views and includes French doors to the terrace, a large living/dining area and a contemporary kitchen. This features delightful cream coloured, flat fronted units with Corian worktops housing a built in double oven and a halogen hob with extractor as well as a huge integrated fridge and a dishwasher.

There is an open archway to the useful snug/family area and a door to the adjacent utility room with units to match those in the kitchen, space for laundry appliances and a lobby leading to the conveniently located back door.

The first floor galleried landing is spacious enough for a study area and has access to the boarded and insulated attic. There is a family bathroom with half height cupboards and four double bedrooms with amazing views, including one with an ensuite shower, a large dual aspect double with fitted cupboards and the dual aspect principal suite with an impressive ensuite shower room including a bidet and built in half-height cupboards and drawers.

Outside there is a paved pathway and terraced areas that wraparound the property where you can enjoy outdoor entertaining and a vast lawn, part of which was originally a paddock, a good sized garden shed and the double garage. This has access to a mezzanine level providing plenty of storage as well as a window and French doors to the garden so potentially could be converted to an annexe, subject to the necessary permissions.

Seller Insight

“ We bought this superb property some 23 years ago as we absolutely loved the location with wonderful views, a quiet and peaceful environment yet close enough to the village amenities not to feel isolated. Over the years we have completely renovated and refurbished the property to become a gorgeous family home and have wonderful memories of our life here, however we now plan to downsize and have a property ready to move into.

As well as the opportunity to create an annexe, if a new family have equine interests, they could turn part of the rear garden back into a paddock and build stables. As we literally abut the edge of the Minnis it is possible to ride out of our gate straight onto the Minnis and enjoy a hack without ever having to go on the road. The Minnis is also a great place for a walk with the dog and there are excellent opportunities for cycling around the neighbourhood, while golfing enthusiasts have many courses to choose from such as Echinghill, Sene Valley, Canterbury and Broome Park.

Stelling Minnis is a friendly village with a local pub, an historic windmill, a post office and a village store for any immediate needs as well as a village hall that hosts a variety of activities including discos and regular film nights. It is also accessible to good schools with an excellent village primary school and a nearby bus stop with buses that take children to secondary, grammar and private schools and other activities in Canterbury.

The historic city of Canterbury includes a plethora of UNESCO world heritage historic buildings, high street stores and individual shops, the Marlowe and Gulbenkian theatres, a cinema complex, excellent bars and restaurants as well as two mainline stations with the high speed train from Canterbury West whisking you to London in under an hour. As well as the schools there are three universities and a further education college. While sporting aficionados can watch cricket at the Spitfire county cricket ground of enjoy other facilities at the Kingsmead Leisure Centre and the Polo Farm Sports club.

The Channel Tunnel and Dover are easily accessible for trips to the Continent while Hythe is delightful with its pavement cafes, individual shops and seafront.”*
