STEP INSIDE

West End

Whether you are looking for a delightful permanent family home or an excellent holiday retreat this charming detached residence in a small and prestigious cul-de-sac on the outskirts of Hythe could be the answer. It offers easy access to Saltwood village, Hythe town centre and the seafront and has been expertly refurbished and extended with high end fixtures and fittings including oak doors, shutters on all the windows, underfloor heating in some areas and excellent semi open plan living.

A block paved driveway provides off road parking for two vehicles and is bordered by a front lawn and shrub borders. It leads to the welcoming oak front door that opens into an entrance hall with oak flooring, a cloakroom and glazed double doors into the cosy sitting room. This includes a contemporary raised log burner with an impressive marble hearth and log store as a focal point and oak framed bi-fold doors to the L-shaped open plan living space.

This features a bright dining area with oak flooring and four bi-fold doors to the spacious rear terrace and a wide archway to the family area with a porcelain tiled floor that also has four bi-fold doors to the terrace. As the floor and terrace are at the same floor level when you open all the bi-fold doors, but are eating or sitting inside, you really do feel you are actually bringing the outside indoors and extending the space considerably.

The contemporary kitchen consists of modern flat fronted charcoal grey units with Corian worktops housing an induction hob, oven, combi microwave, warming drawer, full height larder fridge, freezer, wine cooler and dishwasher as well as a peninsular breakfast bar. The large well-equipped utility room was the original kitchen

and, as well as laundry appliances, it also still has a built in oven and hob so provides useful additional cooking facilities for large family celebrations and dinner parties. Beyond the dining area is access to a small study/office leading to a large studio converted from the garage, so makes an excellent space for anyone working from home.

Upstairs the galleried landing has access to the loft and an airing cupboard. There is a family bathroom with a vanity basin, a large single bedroom with a fitted cupboard and three doubles. These include one with Velux windows, access to eaves storage and a Jack and Jill shower room that also serves another double with sliding wardrobes. While the first bedroom features a trapezoid window and French doors that open onto a Juliette balcony with views over the south facing rear garden, a walk-in wardrobe, additional storage cupboards and an ensuite shower room.

The easy-to-manage rear garden includes the magnificent terrace that spans the width of the property and leads to a lawn surrounded by shrub borders and close board fencing and includes a charming Wendy house and a garden shed.

SELLER INSIGHT

“ I have enjoyed living here for the past six years and was delighted to create an excellent studio from the garage. I particularly liked the open plan areas with the bi-fold doors to the garden and the fact that the house is located in a small cul-de-sac means that it is very quiet and peaceful and very safe for my young grandchildren when they come to visit.

Hythe is a charming seaside town with its individual shops, pubs and restaurants as well as three supermarkets including Waitrose and Sainsburys. There are wonderful walks along the Military Canal, which was originally built in the 18th century to help repel a possible Napoleonic invasion, and it is not far from the beach. You can even cycle along to Folkestone seafront and enjoy the regenerated Harbour Arm and Creative Quarter or have fun with the family, taking a trip on the famous Romney, Hythe and Dymchurch miniature railway.

There is a swimming pool together with cricket, tennis, squash and sailing clubs while for golfing enthusiasts there is the Sene Valley golf club designed by Henry Cotton and the Hotel Imperial that has a golf course and a leisure centre. Saltwood includes a pub and the superb Michelin starred Hide and Fox restaurant for that special occasion meal. You will also find Saltwood Castle, a primary school and Brockhill Park which is a great place for a walk with the dog as well as the specialist secondary Brockhill Performing Arts school.

Transport links are very good with Sandling station not far away and it is less than an hour to London on the high speed train from Folkestone West or about 35 minutes if you take the car to Ashford International. If you fancy lunch in France, it is only a short drive to the M20 for the Channel Tunnel. From an education point of view you will find additional good local primary schools in Saltwood, excellent grammar schools in Canterbury and Folkestone and top class private schools available in Ashford, Canterbury and Dover.
