STEP INSIDE

Bury Road

Located along Chingford's prestigious Bury Road and backing directly onto the West Essex Golf Course, this impressive three-storey detached house was originally built in the early Edwardian era. The house includes a separate annex and a swimming pool and is approached via wrought iron gates leading to a double garage and a substantial forecourt.

Varied rooflines, a prominent chimneystack, bay and diamond-pane windows create charming kerb appeal, while the oak front door opens into a welcoming hallway featuring black and white tiled flooring, coved ceilings and an archway leading through to the spacious sitting and dining room. With its bay window it can comfortably accommodate large family gatherings, with space for a dining table and chairs and comfortable sofas around an attractive fireplace. From here there is access to a ground floor shower room, the annex and the living area, as well as the staircase with wrought iron balustrade, under-stairs storage and a utility room with laundry facilities and additional cooking appliances.

The living area features oak parquet flooring, a wood-surround fireplace and a bay window, with a wide archway opening into the family area. With diamond-pane windows on three sides, this space is filled with natural light and enjoys views over the garden. Also accessed from the living room is the entertainment room, where exposed beams create the atmosphere of a traditional English country pub. The T-shaped kitchen/breakfast room is fitted with stone flooring, shaker-style units, an Aga, a raised breakfast area and additional integrated appliances, with a corridor

leading to storage cupboards, a toilet and doors opening to both the garden and the forecourt.

The annex benefits from its own separate front entrance and comprises a double shower room, a light-filled living room with lantern skylights and full-height windows, and a kitchen/living room with a range of built-in and freestanding appliances, along with dining and seating areas. There is access to the garden and to a spacious double bedroom featuring exposed beams, a bay window and built-in wardrobe storage.

Off the first-floor galleried landing there is a traditional bathroom and three double bedrooms, all with en-suite facilities. One bedroom features a beautifully tiled shower room, an extensive range of fitted cupboards and a charming bay window, while another includes built-in wardrobes and a bathroom with a stand-alone claw-foot bath. The principal bedroom offers fitted wardrobes, corner cupboards, an en-suite bathroom and a stunning enclosed balcony with picture windows providing far-reaching views across the garden, the golf course and Epping Forest.

The second floor offers two further double bedrooms with dormer windows, one with an en-suite shower room and walk-in wardrobe, and the other enjoying a dual aspect and fitted cupboard.

The charmingly landscaped rear garden features terracing, a large, curved shrub bed and a heated swimming pool complex with pool house, additional terrace, established borders and direct access onto the golf course.

SELLER INSIGHT

“ We moved here in 1981 when our children were small and have enjoyed a really lovely life here. During our time here, we have created the annex from the original garage and have modernised the property throughout, including adding en-suite facilities and the swimming pool.

Despite feeling wonderfully rural, Chingford Station is less than a mile away, with trains reaching Liverpool Street in around 25 minutes, making the City and West End easily accessible door to door within the hour.

Chingford is a vibrant and well-connected town situated on the River Lea and the River Ching, offering a good choice of primary, secondary and independent schools. There are two nearby golf courses, along with a wide selection of independent shops, high street stores, pubs and restaurants, as well as convenient access to Stansted, Luton and Heathrow via the M11 and M25. Local leisure facilities include rugby and tennis clubs, horse riding in Epping Forest, scenic nature walks, reservoir wildlife and notable landmarks such as the Queen Elizabeth Hunting Lodge and Friday Hill House.
