## Chris Cottage

This fabulous, three-bedroom property has been superbly updated to a very high standard by its current owners, including brand new bathrooms and remodelled kitchen. Set in a very generous plot, there is a lot to be appreciated outside upon approach. There's the sizeable, paved driveway with double-gated entry and ample parking for numerous vehicles, and an impressive wrap-around garden that's bordered at the front by an attractive rendered wall, finished beautifully with a vast array of mature plants and trees.

Inside, the benefits of this property continue to impress. The layout has been completely reorganised by the current owners, giving a clear divide, with the central hallway, between the bedroom and living areas, resulting in a much improved, more functional use of space. The principal bedroom is at the front of the house, with the triple glazing ensuring a sound night's sleep. There's an integrated, walk-in wardrobe and a gorgeous, newly appointed contemporary ensuite with a large, wet room style shower.

Adjacent is another good-sized double bedroom with integrated wardrobes, which is conveniently located next to the fabulous, recently installed family bathroom. Towards the rear of the property is a third double bedroom, which boasts another new ensuite shower room, plus it has the added advantage of its own external entrance – ideal for a young adult requiring independence.

Over to the living area side of the property and the open-plan kitchen is another impressive room that has benefitted from a brand-new refit; now boasting all integrated appliances of reputable brands including Neff oven, microwave and induction hob, and Bosch white goods. This, combined with a spacious dining area, is a lovely light area that enjoys dual aspect windows plus French doors leading into the adjoining conservatory. This flexible room is certainly a larger than the average conservatory and benefits from heating, making it a superb additional reception room.

Connecting both the conservatory and kitchen dining area, and accessible via both, is the main lounge. This is another light, spacious room and it benefits from a recently installed multifuel burning stove. Throughout the home are multiple integrated cupboards in addition to the wardrobes in the bedrooms, one of which is large enough to house the boiler as well as a washing machine, creating a mini utility room.

Outside, the garden is absolutely immaculate. Beautifully manicured lawn, a stunning mix of mature plants and trees, plus smaller areas sectioned off behind hedgerow screening adding yet more character. There are several, good quality sheds, both in the main garden and on the driveway, plus a greenhouse. And there's a lovely patio perfectly positioned for sitting back and taking in this delightful place. Binstead is a lovely village on the outskirts of the seaside town Ryde, benefitting from a convenience store, gastro pub, a farm shop and woodland all within easy distance of the property. It's well connected to Ryde and the island's principal town Newport, with regular and reliable bus routes passing by.
